

Payment system at Mykolas Romeris University GUIDE

An extremely progressive contactless payment system has been installed at Mykolas Romeris University (MRU). The system enables the provision of a higher quality and quicker service and the possibility of the access to the exclusive privileges and services for the university community. **MOKIPAY** provides payment services to university (“Antigravity payment systems“, UAB).

You can pay with this card not only at MRU but also in places where **MOKIPAY** payment system has been installed, e.g. at „McDonalds“ restaurants network, Statoil and other places.

You can see a detailed list of the places where you can pay with **MOKIPAY** by browsing the website www.mokipay.com or by using a mobile application **MOKIPAY** which is available for iOS and Android users.

The card and payment account

Having ordered the card, **MOKIPAY** payment account has been opened for your payments.

Your card is connected to your prepaid account at **MOKIPAY**. In order to pay one has to top-up **MOKIPAY** payment account via banklink or at FoxBox terminals. It is also possible to directly link your **MOKIPAY** account with your bank account (see *“How to top-up the account”*).

How to activate the card?

Monetary amounts are not limited only for OMNITEL customers who activated their accounts. If you are an OMNITEL, TELE2 or BITÉ customer, *you have to send a SMS to 1397 number* – the message has to contain the word MOKI, make an interval and write the card number which is indicated on the other side of the card under the bar code. Take further activation steps as soon as you receive the confirmation message.

How to top-up your account?

You can top-up your account **with cash** at FOXBOX terminals in MRU premises and in other places. You can top-up your **MOKIPAY** payment account from **your bank account** which you have at any commercial bank of Lithuania by using <https://www.mokipay.com/transferspublic> or by applying a more convenient way by a mobile **MOKIPAY** application.

You can avoid a permanent top-up of your **MOKIPAY** account if you make a direct link of your **MOKIPAY** account with DANSKE BANK via your electronic banking system.

The customers of DANSKE BANK, SWEDBANK and DNB banks may use a direct debit service enabling to have a chosen amount balance in their **MOKIPAY** account. The service is provided by signing a Direct debit agreement with your bank.
