Part-time
Ideal as a student job

LEAD RESEARCH SPECIALIST

If the internet is your best friend, you're curious about business and have structured & performance oriented mindset then we would definitely like to talk to you!

TIME REQUIRED: 20 hours with flexible office hours. Weekend work and remote work is fine by us. We're a performance-based organization and have only one religion, TARGET.

YOUR RESPONSIBILITIES WILL INCLUDE:

- Support fast-growing B2B software companies with systemized lead research
- Use the latest technology to find and enrich ideal contacts in North America, Europe, the Middle East and the Asia Pacific regions
- Collaborate with colleagues on shared projects with group targets
- Reach and exceed your weekly personal targets

WHAT WE OFFER:

- Competitive remuneration
- Training best practices and constant updates of responsibilities above
- Flexible working hours (easy to manage with studies or another job)
- PS4 & unlimited snack supplies in the office
- Constant team buildings and activities
- An AMAZING team
