

THE AGE OF WINNING HAS BEGUN

Manpower is a world leader in the employment services industry. We create and deliver services that enable our clients to win in the changing world of work and our candidates to find the best possible career opportunities. Innovative tools and modern solutions contribute to our expertise and assist in being fresh thinking and forward looking. We are a team of engaged professionals who strive for knowledge and care about people! You can find a lot of information about who we are and what we do at www.manpower.lt and www.manpowergroup.com.

Internship in HR

Imagine yourself in Manpower?

- Learning and developing your professional competencies every day;
- Assisting HR Consultants in Region or International Recruitment and Staffing projects;
- Actively approaching candidates in databases and using other alternative innovative tools and methods;
- Coordinating the publishing of advertisements in job boards and various public channels;
- Administrating Manpower local website and social media accounts.

We hope that our new Team Member will be interested in recruitment and willing to start his or her career in HR industry. We are looking for an IT driven person with perfect Lithuanian and English language knowledge whose peers would describe him/her as an:

EXPLORER

THINKER

INNOVATOR

PLANNER

Is it You?

We offer a **possibility to be successfully employed after the internship** and become a part of our highly skilled and professional team in a well-known company which shapes HR trends globally. Learnability, dynamics, international culture, innovations, technology and PEOPLE will become your everyday companions!

“Manpower is a place where people build their **career paths**, **innovations** lead, **ethical principles** are granted, **ideas** are heard and **dreams** become true! Manpower is **people** who you could call your 8 hours a day **Family** and currently we are searching for a new family member! So, is it you?”

We are looking forward to your CV!
