STUDY VISIT II
Mykolas Romeris University, Lithuania
Venue
Didlaukio str. 55, Vilnius Lithuania
Room 104
27.09.2021 – 28.09.2021

Mykolas Romeris University welcomes you to participate in our three-day study visit, focused on aspects of Nature Based Solutions, Climate Management and Sustainable Development.

The participants will get insights into the work developed at the MRU regarding climate change mitigation, environmental management, and implementation of sustainable development principles. During the two days, the participants will have the opportunity to understand the theoretical concepts in a practical way with one excursion to Vingis park (Vilnius).

Target group – teachers, researchers, experts in climate management and sustainability, administrative staff of the universities and interested students and alumni.
