7. Plan finances

- The *Erasmus+* grant for studies is a Grant awarded by the University for the student who participates in the *Erasmus+* mobility for studies (minimum eligible duration of physical mobility to another country than Lithuania is 3 months).

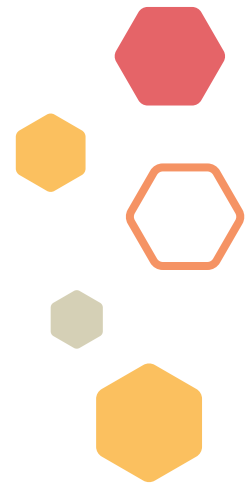

| | Countries | Amount of Erasmus+ Grant for Studies |
|----|---|--------------------------------------|
| 1. | Denmark, Finland, Iceland, Ireland, Liechtenstein, Luxembourg, Norway, Sweden, the United Kingdom | 520 EUR/month |
| 2. | Austria, Belgium, Cyprus, France, Italy, Germany, Greece, the Netherlands, Malta, Portugal, Spain | 500 EUR/month |
| 3. | Bulgaria, Croatia, Czech Republic, Estonia, Hungary, Latvia, Poland, Romania, Slovakia, Slovenia, Macedonia, Turkey | 450 EUR/month |
| 4. | Switzerland, Partner Countries (KA107)** | 700 EUR/month |

8. Collect info about **VISA** and **TRP**

Students going for Erasmus+ mobility **MUST** have TRP (Temporary Residence Permits) of Lithuania and the TRP of Lithuania must be valid during the entire mobility period.

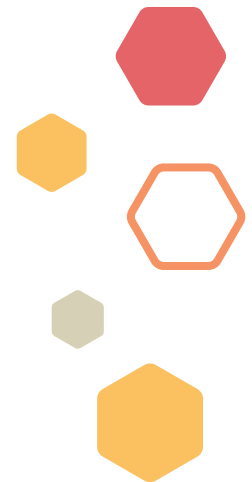

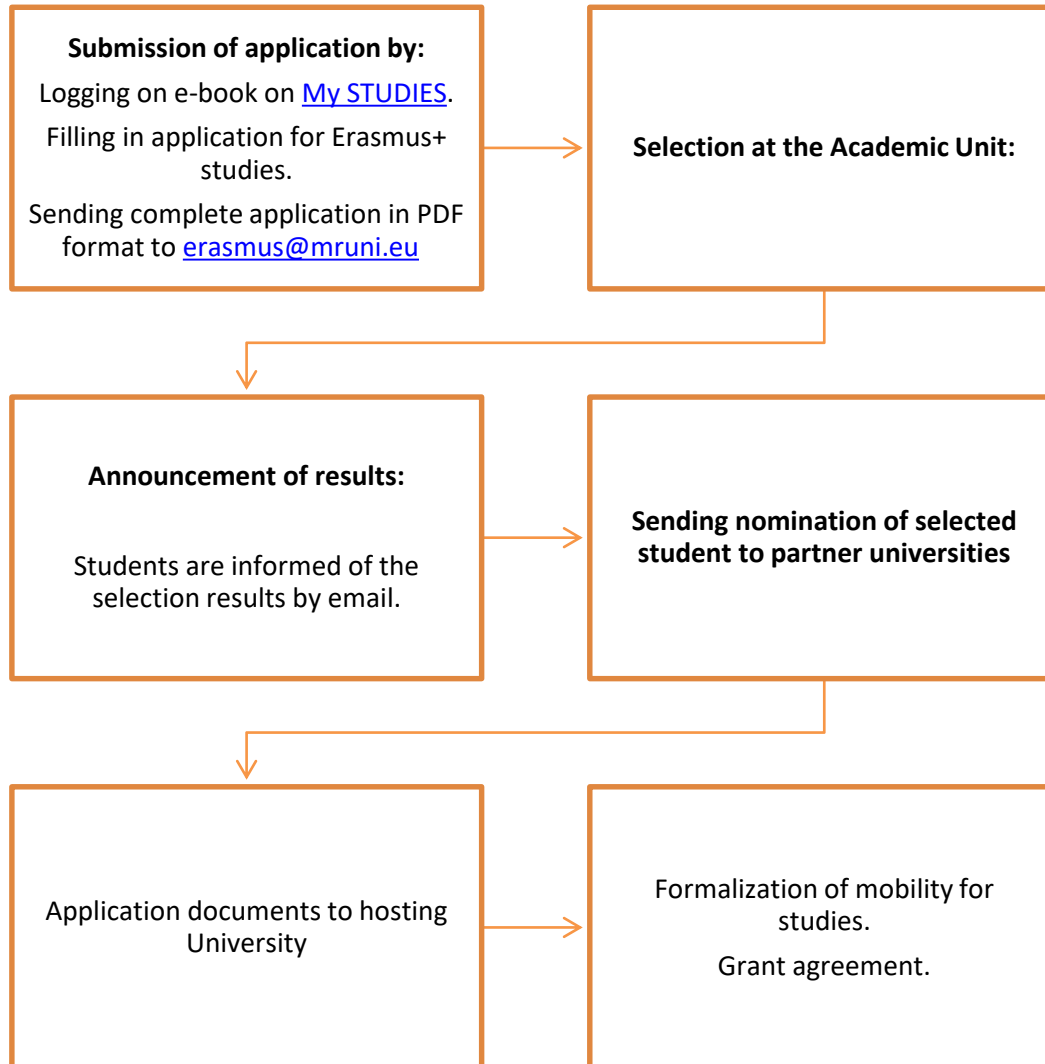

While having a TRP of Lithuania (it proves that you are an outgoing mobility participant from Lithuania) you might also have to apply for relevant permission in the host country (e.g. VISA), if such is a requirement of the host country for incoming students for longer than 90 days.

Check if and when you need to apply for VISA and Temporary Residence Permits for studies at the Partner University.
