

Give your academic experience a boost!

DAAD scholarship offers in GERMANY for the 2023/2024 academic year for students and researchers at all academic stages

DAAD scholarship offers for students and researchers from Estonia, Latvia and Lithuania.

This year the DAAD is offering scholarships for **MA studies in all academic disciplines** (for a full study programme), scholarships for **MA studies in architecture, music and performing arts** and research grants for **PhD students and post-docs**. **Deadlines are throughout autumn** - for most programmes on **November 15, 2022**.

In addition, there are many other programmes, including **study trips** for student groups, support for summer schools at your institution, bi-national study programmes and others. Also, we support you with **finding adequate partners** for initiating bilateral cooperation with academic institutions in Germany.

Please check out the offers on www.daad.lv; a database of study programmes and universities in Germany is available at www.hochschulkompas.de, an overview of research institutions at www.gerit.org. Studying and research in Germany is generally **possible in German and English**.

Finally: In case you don't receive our monthly **newsletter** yet and are interested in being included in the mailing list - please send us a brief e-mail or subscribe to it on www.daad.lv!

Looking forward to **hearing from you!**

Kind regards,

Daina Auziņa
