I honored to prove the statement - life after Erasmus won't be the same!

I would like to thank the university for giving me a chance to take part in the Erasmus+ programme.

I visited university in Baku. My university, ADA University an incredibly modern university with the latest technologies, teaching methods and a high level of English-language courses. Live in Azerbaijan was great opportunity to discover completely different culture, cuisine, religion, traditions and customs, language. It is a unique country and people.

Thanks to Erasmus+, I also met interesting people from all over the world and discovered something new for myself.

I honored to prove the statement - life after Erasmus won't be the same!
