..I feel incredibly grateful for this opportunity and I look forward to applying the knowledge and skills.

The experience was truly life-changing, both academically and personally. The courses I took were challenging, but the professors were supportive and helpful. I particularly appreciated the emphasis on critical thinking and practical application of legal principles.

Beyond academics, the experience of living in Vienna and immersing myself in Austrian culture was unforgettable. I met amazing people from all over the world, tasted incredible food, and had the opportunity to explore the city's rich history and architecture.

Overall, the Erasmus + exchange program has broadened my horizons, enriched my personal and professional growth, and given me lifelong memories. I feel incredibly grateful for this opportunity and I look forward to applying the knowledge and skills I acquired during my studies in my future academic and professional endeavors.
