DecoFlux Home is an international luxury home textile brand, established in 2007, currently operating 3 physical stores in Kaunas and Vilnius, and successfully selling online in Lithuania and worldwide. We believe in continuous improvement and have ambitious plans for the future. We are currently looking for an addition to our team.

Responsibilities:

- Assist in creating engaging content for various online platforms and in implementing SEO strategies.
- Support the development and execution of digital marketing campaigns.
- Aid in maintaining and updating the company's website, ensuring content accuracy and functionality.

You are:

- In your 3rd or 4th year of studies.
- Have excellent communication skills and are proficient in English.
- Able to dedicate 20 hours/week for the next 3-6 months.

We offer:

- Paid internship (420 €/month gross)
- Opportunity to apply the knowledge gained during studies in practice.
