Experience the new OLS!

The brand-new **Online Language Support (OLS)** is waiting for you!

It provides a range of interactive and engaging language learning activities to help you learn a new language or master a language you've already studied. The best part is that it's designed to cater specifically to the needs of each learner.

This means you'll enjoy a unique language learning experience, which you can embark on at your own pace.

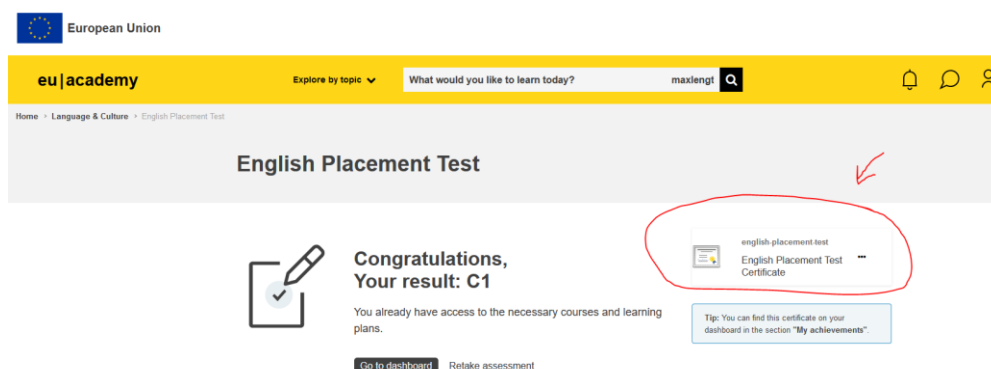

So, what are you waiting for? Whether it's learning the basics of French or mastering native-level German, [click here to get started](#).

It only takes a few seconds to set up your profile and begin your language learning journey today! [Our intro module quickly walks you through the process of creating an account](#), which you can use to access OLS and lots of other short courses on the EU Academy.

Short Visual Instruction:

Create the account → Log in → Join the Community → Resume → English Learning Community and Resources (look below) → Resume → English Placement Test (look below).

After completing the test, make sure to download the certificate and send a copy to your mobility manager.

See you on the new OLS.
