

Application deadlines for applicants applying for grants in their proposed organizations:

Type of internship	Duration	Number of places	Latest day to submit application	Latest day to start Internship	Latest day to end Internship
Student	2 months (60 days)*	3	June 20, 2024	July 01, 2024	August 31, 2024
Student	3 months (90 days)**	17	May 20, 2024	June 01, 2024	August 31, 2024
Graduate	4 months (120 days)***	27	April 19, 2024	April 29, 2024	August 31, 2024

Since all internships with UpinLt must be completed by August 31, 2024, the deadlines outlined above are final. Applying later or planning an internship at a later date will not meet the requirements of the UpinLt project. While applying earlier is encouraged, ensure to add at least 10 days before the official internship start date, considering that this time is required for selection and formalization.

*If a student applies for a 2-month grant, they must submit the application and additional documents by June 10, 2024. The application process includes a 10-day selection and formalization period. The actual 2-month (60-day) internship is mandatory and should take place from July 1, 2023, to August 31, 2024.

**If a student applies for a 3-month grant, they must submit the application and additional documents by May 10, 2024. The application process includes a 10-day selection and formalization period. The actual 3-month (90-day) internship is mandatory and should take place from June 1, 2024, to August 31, 2024.

***For the 4-month Graduates grant, documents must be submitted no later than April 19, 2024. The application process includes a 10-day selection and formalization period. The actual 4-month (120-day) internship is mandatory and should take place from April 29, 2024, to August 31, 2023.
