
UPinLT PROJECT OPPORTUNITIES FOR MYKOLAS ROMERIS UNIVERSITY INTERNATIONAL STUDENTS/ GRADUATES

2024-02-08

GOAL OF THE UPinLT PROJECT

- to provide support to foreign students and graduates of Lithuanian higher education institutions in order to successfully integrate them into the Lithuanian labour market.
- Available grants are intended for additional/supplementary internships (on top of the mandatory practices which are part of the study programme) in companies and organizations operating in Lithuania.
- The internship must be related to the study field/ study programme.
- International students have an additional opportunity to develop their professional knowledge and skills, acquire Lithuanian language skills, and gain valuable work experience as well as to establish professional contacts.

ELIGIBLE CANDIDATED FOR UPinLT PROJECT

- Candidates must be:
- Mykolas Romeris University **students** studying in the first and second cycle of studies or integral studies (with the exception of first-year undergraduate students);
or
- Mykolas Romeris university **graduates**, if not longer than 12 months have passed since the end of their studies until the first day of the internship.

with a valid TRP/TRC

DURATION OF INTERNSHIPS AND WORKLOAD

- Duration of **student's** internship (additional internship): 2 or 3 months, and the duration of the working time of the internship is at least **20 hours per week**;
- Duration of the internship for **graduates**: 4 months, and the duration of the working time of the internship is **at least 30 hours per week**;

IMPORTANT!

- The grant for internships for one international student or graduate can be awarded once during the entire period of implementation of the Project;
- Internships must start **end no later than 31 August 2024;**
- Mykolas Romeris university CAN NOT be a receiving institution for the internship;
- There must **NOT** be a valid employment contract between the international student or graduate and the company or organization of internship on the starting day of the internship and the entire period of internship.
- Three party agreements will be signed among the university, student/graduate and the company.
- The grant is **650 Eur per month.**
