**Login name:** your MRU e-mail (*full*)

**Password:** your MRU e-mail password

**Domain:** Student

# Can I print, copy, scan in the Library?

- You can print, copy, scan by yourself using multifunctional machines.
- Color/non-color printing and copying.
- Instructions are near the multifunctional device and on the Library website.
- Feel free to ask for the help at the Information desk.

# A few basic Library rules

## We kindly ask you:

- to leave big bags, coats, jackets, etc. in the lockers at the Library entrance;
- to keep silence in the Library and do not disturb the others;
- not to carry food and drinks to the Library in open capacity;
- not to put the books back to the shelves by yourself.

# How to find a book in the Library?

---

# MRU Virtual Library

[vb.mruni.eu/en](http://vb.mruni.eu/en)

- This is the search engine you will use to find the books in the Library.
- Remember **the Location** and **the Call number** of a book.
- Not all publications can be borrowed - you can read books from the Reading rooms only in the area of the Library.
- If you do not find a book in e-catalogue - the Library does not have it.

# What is a call number of a book?

- Call Number of a book is indicated in MRU Library e-catalogue.
- It is "*the address*" of a book on the Library shelves.

## Example of a Call No:

**005.9 Ma 158**

- Please notice, where the book you search for is located: in which Reading Room or Lending Department. This information is provided in the Library e-catalogue.

# How to take books home?

- Books located at the Lending Department and Repository can be borrowed.
- Loan term differs:  
**1 month, 2 months, semester**
- Before looking for a book on the shelves, search for it in the Library e-catalogue.
- Students find the books in the Library by themselves.
- You must have your Student ID or your Personal ID card if you want to take books home.
- Bring chosen books to the Information Desk and the loan will be done.

# Check out the books by yourself!

- Use a self check-in machine to take books home.
- You will need your Student ID for that.
- You can return borrowed books at the Information desk and using Book Drop Boxes, located at the entrance of the Library and at the side entrance in the University courtyard.
- You have to check out the books by yourself, but anyone can return them.

# Fee for the overdue books

- The fee is started to calculate the next day, when the loan term of the book(s) has expired.
- 0,10 € for each item for each Library working day that the book is overdue.
- All the information about this fee is on the Library website or you ask a person at the Information desk.
- The fee can be paid at the bank or through electronic banking system.
- Information about completed payment must be presented to Library staff or sent by e-mail:  
**[biblioteka@mruni.eu](mailto:biblioteka@mruni.eu)**
- If the fee reaches 9,90 EUR, further borrowing of books is blocked.
- Information about the books taken from the Library and fees is provided at **[vb.mruni.eu/en](http://vb.mruni.eu/en)** by selecting „**Sign in**“ and then “**My Library Card**”.

# Library - not only the printed books

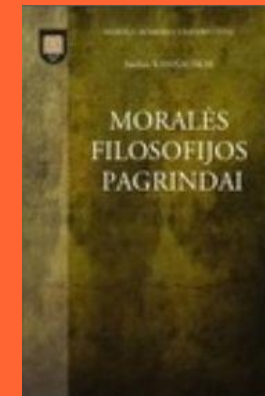

---

# MRU institutional repository

- Internet address:  
<https://cris.mruni.eu/eng>
- MRU and other eBooks, scientific articles and conference proceedings and dissertations
- Open access

Lietuvos akademinė elektroninė biblioteka

[www.lvb.lt](http://www.lvb.lt)

# Lithuanian Academic Electronic Library

Here you can search for:

- scientific articles and other publications;
- bachelor thesis, master thesis and doctoral dissertations;
- books in other Universities, Science centers/Institutes Libraries;
- other materials.

# Databases (DB)

**Infolex**

- The Library subscribes to 45 local and international databases.
- Reliable information source for your academic papers.
- Scientific articles and e-books mostly in English.
- Accessible only to the community of Mykolas Romeris University.
- Remote access (outside the University Campus) to the subscribed databases available through Ezproxy
- Training on information search in DB are provided at the Library.
