

Internship opportunities in the UK available for your students!

Our exciting UK internship opportunities are now open to your students and recent graduates!

ESPA's services are completely **free of charge for students**. All our internships are financially supported and whilst UK visa fees apply, these are subsidised by the host company and ESPA will assist with the UK visa process.

Please share this email with your students, so that they can register on our website and progress their applications.

The UK is a desirable destination for high quality internship opportunities. For any questions or advice regarding VISA regulations or funding opportunities, we are happy to help over a video call.

Please do not hesitate to [contact us](#) for more information.

Best regards,
The ESPA Team
