

ALTINBAS UNIVERSITY

Altınbaş University kindly informs you that we are currently **looking for interns for the upcoming semester** through the Erasmus+ programme.

We would be happy to host students from your institution who may be interested in gaining international work experience in a dynamic and multicultural environment.

We have published our internship opportunities on the **ErasmusIntern.org** platform, where your students can find all the relevant information, including available positions, tasks, required skills, and the application procedure.

You can view our open positions here:

We would be grateful if you could share this opportunity with your students who may be eligible and interested in an Erasmus+ internship abroad.

Should your students have any questions, feel free to reach out to us directly.

We look forward to strengthening our cooperation and hopefully welcoming some of your students to Altınbaş University soon!

Warm regards,
Katalin Nagy
