

Mykolas Romeris  
University

---

If you are required to pass the OMPT test to be considered for admission to Mykolas Romeris University, please note that **you are allowed 2 attempts per year**.

You have schedule the test at least three days in advance. It might take up to [8 business days](#) to get your results, as OMPT tests are manually graded. Please plan accordingly, as **we need to receive your results in 2 weeks after receiving your application fee payment**.

*Successfully passing the OMPT test means that you meet the mathematics requirement, but it does not guarantee a place in the programme.*

OMPT type	Programme	Minimum score
OMPT - A	All programmes	55%
OMPT - E	Psychology, Game Development and Digital Animation, Digital Media Design, Business Management and Startup Building, Global Business and Modern Marketing	55%
