# PubCirEco

Critical role of public employees in circular economy implementation: embedding circular economy thinking in HEIs

ERASMUS-EDU-2024-CBHE 101179344

8-12<sup>th</sup> December, 2025, Vilnius (Lithuania)

## INTENSIVE TRAINING PROGRAMME

---

This intensive training is a transformative journey towards innovation, sustainability and academic excellence in the frame of Circular economy.

PubCirEco is a powerful step towards embedding sustainable thinking in higher education and empowering the next generation of leaders to shape a greener, smarter future.

Through immersive learning experiences and cross-cultural dialogue, we will not only enhance our professional skills but also become catalysts for change in our academic institutions and communities.

8<sup>th</sup> December, 2025
