

Dear Students,

We would like to inform you that the Erasmus & Exchange Office at Altınbaş University is currently looking for an intern to join our team. We would greatly appreciate it if you could share this opportunity with your students who might be interested in gaining international experience in a dynamic university environment.

The internship offers hands-on experience in international mobility processes, communication with students and partner institutions, and the day-to-day operations of an Erasmus office.

You can find more details and the application link here:

Please do not hesitate to contact us if you have any questions.

Thank you very much for your support and cooperation.

Kind regards,

Tuva Lindén
