

REGULATIONS OF STUDENT INTERNSHIP OF MYKOLAS ROMERIS UNIVERSITY

I. GENERAL PROVISIONS

1. The Regulations (*hereinafter* the Regulations) for Student Internship of Mykolas Romeris University (*hereinafter* the University) establish the principles for the organization of student Internships.

2. The Regulations have been prepared in accordance with the Law on Science and Studies of the Republic of Lithuania, the Order of the Minister of Education and Science of the Republic of Lithuania No. V-1168 "On the Approval of the Description of the Requirements for the Conduct of General Studies" of 30 December 2016, the Order of the Minister of Education and Science of the Republic of Lithuania No. V-1011 "On the Approval of the Form of the Model Agreement for the Internship of the Student" of 16 November 2016 and the requirements of other legal acts.

3. For the purposes of these provisions, the following definitions shall apply:

3.1. **Internship** is a mandatory (provided for in the study programme) and/or additional (not provided for in the study programme) self-employment internship organised for a student of first, second cycle, vocational pedagogy studies in Lithuanian or foreign companies, institutions or organisations. The internship is carried out under the student's Internship Agreement (Annex 1 to the Regulations), except for the cases provided for in Items 4, 10 and 11 of the Regulations.

3.2. **Internship plan** is a document defining the objectives, tasks, terms of the internship, agreed with the host company, institution or organization, which is approved by the Internship manager of the study program.

3.3. **The programme (description) of the subject of practical studies** is a document which establishes the scope, purpose of the Internship and the results (objectives), content, study methods, assessment methods and criteria, and study sources.

3.4. **The place of Internship** is a Lithuanian or foreign company, institution or organization where the student performs the Internship.

3.5. **Internship manager** is a person appointed by a Lithuanian or foreign company, institution or organization where the student's Internship is organized, who is responsible for the implementation of the Internship plan.

3.6. **The Head of Internship of the Study Programme** is a lecturer of the academic department who organises and evaluates the student's practice.

3.7. **QR Code for Lawful Child Labour** - A digital certificate issued by the competent authority confirming a person's right to work or engage in activities with children, which, as of November 1, 2024, must be held by persons working, interning, or otherwise engaging in

activities with children, and is used in place of a certificate from the Register of Suspects, Accused, and Convicted Persons regarding the person's lack of a criminal record.

4. A different form of Internship may be used for students undergoing international internships under the European Union or other international programmes, as well as in the case of agreements between academic departments and institutions for the implementation of individual study programmes.

II. ORGANISATION AND FINANCING OF INTERNSHIP

5. Compulsory Internships provided for in the study programme shall be organised for students of first, postgraduate and professional pedagogical studies. This Internship is carried out to the extent and at the time specified in the study programme. Additional Internships can be organized for students during their free time or during their studies if it is compatible with their studies. For additional Internships, the student must pay in the cases provided for in the University's Fee Payment Administration Procedure.

6. Internship may be organised in Lithuanian or foreign state enterprises, institutions, organisations and structural subdivisions of the University according to the nature of studies. Internship places are approved by the Vice-Dean for Studies by signing the student's Internship agreement. A student performing an Internship in an educational institution must have a QR code, which is submitted to the head of the educational institution before signing the Internship agreement.

7. The Head of the Internship of the study programme shall perform the following functions:

7.1. before the beginning of the Internship, introduces the student to the requirements of the Internship and the documents regulating it;

7.2. assists the student in the preparation and, after the coordination with the host organization, approves of the Internship plan, ensures the supervision of the achievement of the Internship objectives and, if necessary, solves problems related to the student's Internship together with the responsible employees of the host organization;

7.3. coordinates the concluding the student's Internship agreement with the company, institution or organization where the student will carry out the Internship;

7.4. Consults the student on the achievement of the Internship goals.

8. The Internship manager shall perform the following functions:

8.1. consult the student, ensure the supervision of the achievement of his/her Internship goals and, if necessary, solve problems related to the student's Internship together with the head of study programme of the University;

8.2. at the end of the Internship, submits to the University his/her feedback on the Internship performed by the student in accordance with the model form (Annex 2 to the Regulations), except for the cases when, in the case of agreements between academic departments and institutions regarding the implementation of individual study programmes, other forms of Internship documents are applied.

9. The student Internship agreement signed for the study of the Vice-Dean shall be approved by the seal of the academic department (if necessary) and registered in the Register of Student Internship Agreements of the University within 10 days from the date of conclusion of the agreement, except for the cases provided for in Item 4.

10. When organising the student's Internship in the administrative structural units or academic units of the University, an order of the head of the academic unit where the student is studying shall be prepared, indicating the data of the student who will carry out the Internship, the period of the Internship, the manager of the Internship and the place of the Internship. In this case, the student's Internship agreement is not concluded, except for pedagogical studies.

11. Students who have work requiring the education sought may carry out the Internship at their workplace. In this case, the student's Internship agreement is not concluded, except for pedagogical studies. At least 14 days before the start of the Internship in the workplace, the student must present the following documents to the Internship manager of the study programme:

11.1. an application to carry out an internship at his/her workplace;

11.2. the regulations of his/her current position approved by the employer (his/her authorised representative) or his/her description of his/her current position signed by the employer (his/her authorised representative);

11.3. A certificate from the workplace about the current position, indicating when these duties have been performed or a copy of the employment contract.

12. After the expiry of the established internship period, the student has to submit the following documents to the head of the Internship of the study programme within 5 working days from the end of the Internship:

12.1. an Internship report;

12.2. feedback on the student's Internship (Annex 2 to the Regulations).

13. The forms of the Internship report shall be approved of in the academic departments.

14. Under the conditions set out in the student's Internship agreement, the receiving organization may be paid for the organization of the Internship, provided that this does not contradict the founding documents of the receiving organization and the objectives of its activities. The amount to be awarded must be at least 50 percent of the part of the tuition fee allocated to the salary of academic staff and other employees related to their studies, but not higher than the standard tuition fee proportional to the scope of the Internship (number of study credits), unless the University and the receiving organization agree otherwise.

15. The work of the head of the Internship of the study programme shall be accounted for in accordance with the norms of accounting of the workload of the academic staff of the University approved by the University Senate.

III. EVALUATION OF THE RESULTS OF THE INTERNSHIP

16. The results of the Internship shall be evaluated in accordance with the Procedure for the evaluation of the results of studies of the University.

IV. OBLIGATIONS OF THE PARTIES

17. The status of a student in an undertaking, institution or organisation during the internship shall be determined by a tripartite student Internship agreement concluded between the student, the University and the company, institution or organisation where the

Internship is carried out, except for the cases provided for in Items 4, 10 and 11 of these Regulations.
