

Online Lecture in English:

Echoes of Geopolitical Events in Europe in Latin American Public Space and Social Policy

“prof. dr. Mariano Navarro (Universidad Panamericana, México) will reflect on the war in Europe and its communication, reception in and impact on Mexico's political and everyday life.

This online presentation / discussion is dedicated to students, academic community, and wider public audience whose concern is the global nature of geopolitical events and its communication.

Moderator prof. dr. Mindaugas Briedis“
